Presenter Biographies

Sarah Visintini, Medical Librarian, University of Ottawa Heart Institute

Sarah Visintini is a medical librarian at the University of Ottawa Heart Institute. Her research interests include systematic reviews, library research services and bibliometrics.

Robyn Butcher, Research Information Specialist, CADTH

Robyn Butcher is a research information specialist for CADTH. She has been working in the field of health science librarianship for over 10 years. Robyn's pronouns are she/her.

Jennifer Horton, Research Information Specialist, CADTH

Jennifer Horton is a Research Information Specialist at CADTH. Her research interests include database selection for retrieval of qualitative studies and information retrieval methods for ethics analyses. She holds an MI and an MA from the University of Toronto.

Valentina Ly, Research Librarian (HMSTEM), University of Ottawa Library

Valentina Ly (elle/she) is a Research Librarian for health sciences and STEM disciplines at the University of Ottawa. She formerly worked at Sinai Health in Toronto, assisting with research and managing the patient library. She is currently involved in many EDI projects in librarianship through the OLA Cultural Diversity & Inclusion Committee and the Visible Minority Librarians of Canada network.

Evan Sterling, Research Librarian (HMSTEM), University of Ottawa Library

Evan Sterling (he/him) is a Research Librarian for STEM at the University of Ottawa, where he supports students in a wide range of programs. His undergraduate degree was in Applied Mathematics and Engineering, and before starting his MLIS degree he worked in structural engineering in Toronto.
